Gwenmedia Productions - Van Nuys, CA

08/03 – 02/06

- Created weekly updates, which included video clips, flash animation, rendering photos and newsletter emails. Being the webmaster I was also responsible for search engine optimization, monitor traffic, and all customer care.

Created and design all the websites for the Gwenmedia Productions. I was Webmaster in 2003. Redesigned Gwenmedia.com and Rubberella.com sites. Increase membership by over 300%. Worked with the Art Director and the owner to expanded the website of the company. Due to the adult nature these websites, please ask me for sample URL's.

ARTISTdirect Network - Los Angeles, CA

08/99 – 04/03 (323) 634-4000

- <http://www.artistdirect.com>
- Developed and designed the following sites for AD:
- <http://www.loserkids.com>
- <http://www.faxtion.com>
- <http://www.filter-store.com>

- I started as a production artist. my responsibilities were creating graphics for banners and graphics for the network. I was promoted to lead production artist and was in charge of five graphic artists. My duties entailed maintaining graphical requests, rendering all e-commerce products into the network. I helped in the design of over 100 artist websites. I also helped convert all the artist's stores into the ADmall. I worked with blink-182 and designed Loserkids.com which turned into the #1 e-commerce store for ArtistDirect.

- I became the sole graphic designer for Artistdirect. I was responsible for all the artist's web sites, banners, pop-ups, emails and product images. Promoted to Flash designer for AD home page.
